

Greater Cabarrus Athletic Association Scholarship Application

The Greater Cabarrus Athletic Association Board would like for ALL athletes that desire to play sports to have the opportunity, regardless of ability to pay. We will not discriminate against anyone that needs assistance with registration fees. Scholarships will be awarded based solely on need. Those awarded scholarships must participate fully in the fundraiser program with your sport and GCAA, as this is the means of funding scholarships. Those who do not participate in fundraising will not be allowed to play in games.
