North Carolinians for Home Education Athletic Conference
<u>Non-Recruit/Transfer Rule Explanation</u>

No athlete may leave one homeschool team to play on another homeschool team without the permission of the NCHEAC Board, whose decisions are final. A team is defined as all age eligible players from middle school through high school. If the player does not appeal to NCHEAC or the appeal is denied, the athlete must either stay on their team or sit out one year. <u>This rule applies to both non-conference homeschool teams or participating on a NCHEAC team's non-NCHEAC roster.</u> This rule shall preclude the athlete from re-entering the league until they have not participated on any homeschool team in their sport for a period of one (1) year. <u>NCHEAC teams that use an ineligible player as above will be ineligible from the league for 12 months.</u>

After sitting out one year, the athlete may play for any homeschool team. An athlete is considered committed to a team once they initially register with the team/sport. If a player is cut from the team during try-outs, they are automatically released. If the team or program announces that there will not be a team (or fails to submit a minimum number of players on the roster) then players are released, unless NCHEAC reviews the situation and determines the program failed due to players refusing to play. In the event a NCHEAC team or program folds, NCHEAC reserves the right to review the situation before players are released to other teams. Players on a team in a program are committed to the team and must receive a release to move to another team (including an older team) with another program.
